at NEMO

**SCIENCE MUSEUM**

## Fascinating science

NEMO takes visitors into a world of everyday yet quite remarkable phenomena. We do this by means of NEMO's activities and exhibitions, with themes such as energy, water, physical phenomena and psychology.

Carry out experiments in a laboratory, find out what causes lightning or get to know the sustainable technologies of the future. In our exhibitions, there is always a link to your organization.

## NEMO Science Museum, also for business events

Stage your event in the largest science museum in the Netherlands! For over 90 years, NEMO has been the place where young and old are interactively encouraged to discover how important and how fascinating the world of science and technology is. Your event at NEMO means:

- A central location in Amsterdam that is easily accessible
- An impressive reception in a futuristic building that is also an architectural masterpiece
- A range of 13 special venues, each with their own individual options
- Access to the highest Rooftop Square in the Netherlands, with a view of Amsterdam
- The option of staging events between the exhibitions
- An innovative location in science surroundings, with science catering, such as smoking cocktails
- The option of allowing your guests to visit the museum, free of charge

We look forward to welcoming you in NEMO!

## A single room, the spectacular Rooftop Square, or the entire museum?

For your business events, NEMO Science Museum can provide a range of multipurpose venues to accommodate groups of between 8 and 2000 people. Whether it's a brainstorming session, a conference, a contest, a trade fair, or a festive dinner, NEMO has the ideal venue for every event and every target group. Before, during, or after the event, your guests can light the spark of inspiration in the science museum\*.

NEMO Science Museum is a special location with something extra to offer. The entire building is alive with science and technology. And we are only too keen to enhance your event with a smattering of science.

\* During NEMO's opening hours, this is included in the hire price of the venue.

“Our guests enjoyed themselves and were very involved in the exhibits throughout the museum on the floors that we occupied.”  
*Mosaic Event Management*

**Reception Hall\***

NEMO’s renovated light-filled, all-glass entrance offers a magnificent reception to everyone visiting your event. The entrance area is ideal for drinks parties and receptions. It offers your guests a tantalizing glimpse of the exhibition floors, and a magnificent view of Amsterdam’s eastern docklands.

\*outside opening hours

**Among the exhibits\***

For your events, you can hire exhibitions, several floors, or even the entire museum for your own exclusive use. Enjoy a drinks party among the telescopes, in a laboratory, or allow your contacts to explore exhibitions organized around different themes.

## Events with a spark of science

Add some scientific flair to your event. Give your group a mysterious welcome with a smoking cocktail or organize a dinner among the exhibits. Break into your official programme with a technological challenge, like creating a chain reaction with light beams – using lenses, prisms and mirrors – in our 'Build a light track' workshop. Other exhilarating and exciting activities for your staff include laser gaming or an escape room in the museum.

“Spread the news: prime location with ‘unprecedented’ opportunities!”

Mijksenaar bv

## Foyer

The Foyer overlooks the museum itself and is a perfect space for a reception, lunch, dinner or drinks. It is also well suited to holding presentations. All aspects of this modern venue can be adapted to suit your wishes. You can select the colour of the lighting to create a unique atmosphere.

## Auditorium

The Auditorium is also an ideal location for lectures and conferences. The sloped seating gives your guests a perfect view of the big screen.

### Room setup

Theater  
200

## Theater

The Theatre is a soundproof space where a wide range of events can be staged, such as dinners, workshops and presentations. The venue is equipped with professional lighting and sound equipment, enabling you to create a wide variety of moods.

## Boardroom

In the Boardroom, you can hold your meeting or brainstorming session in complete peace and privacy. The boardroom table can be removed to accommodate a dinner, workshop or theatre-style presentation.

### Room setup

	Dinner 40		U-shape 25

“The NEMO Science Museum is a wonderful location to organise a conference or other events. We were very satisfied in all respects, and this for a reasonable price. Access is excellent via public transport. So highly recommended!” *PhotonicsNL*

### Panorama room

You can book the Panorama Room on NEMO's top floor for meetings, lectures and workshops for up to 80 guests. This venue offers a view over Amsterdam's historic centre and port. For larger events, it is possible to hire this venue in combination with the Restaurant and the Conservatory.

#### Room setup

### Restaurant and Conservatory

From the Restaurant and the Conservatory, your guests will enjoy a breathtaking view of Amsterdam. From pleasant drinks parties to delicious buffets, this wonderful location will give your event a dynamic twist. The Conservatory can be hired separately, or in combination with the Restaurant and/or the Rooftop Square.

#### Room setup Restaurant and Conservatory

-  Buffet  
150 - 300
-  Reception  
150 - 300

“Nice cocktail party venue on the rooftop terrace. Good service!”

*Institute of Physics*

## Rooftop square

NEMO's architect, Renzo Piano, designed the building around the concept of 'interaction'. And it does, indeed, offer plenty of opportunity for interaction. In the Energetica outdoor exhibition, your guests can experience the energy captured from wind, water, and the sun, and battle the forces of nature. In addition, the immense Rooftop Square offers your business events a wide range of options. For instance, you could be enjoying a drink at 22 metres above sea level with all of Amsterdam at your feet. Or you can hire the entire Rooftop Square for private events, after hours.

### Room setup

Buffet  
200

Reception  
200

## Show, workshop or theatrical performance

You can round off your event with a demonstration, workshop or theatrical performance. Take Chain Reaction, for example, a demonstration all about energy, featuring moving office chairs, popping balloons and falling bricks. Or step into NEMO's space station. A guide uses a huge interactive globe to show you how the Earth works and what astronauts experience when they orbit this planet.

## Product presentation or theme party?

At NEMO, we are more than happy to contribute ideas and help you shape your event at the planning stage. The atmosphere you want to create will determine the layout of the room. Are you looking to organize a product presentation, a barbecue on the Rooftop Square, or a theme party? We can customize our venues down to the last detail to ensure the perfect match. If you wish, we can even book the entertainment, whether it be a band or a DJ.

## Official wedding location

Yes I do! NEMO is an official wedding location where you can make the ultimate commitment to the one you love. Then you can proceed straight to the reception in one of our venues or on NEMO's rooftop terrace. Your guests can find out all about the fascinating world of science as the festivities proceed\*.

Our prime location on the IJ enables you to arrive at your wedding location in a private boat.

\* During NEMO's opening hours, this is included in the hire price of the venue.

## Company outings and family reunions

NEMO is the perfect location if you want to share the fun of science and engineering with your clients or employees and their families. Why not organize a family reunion or a kids' lecture in NEMO?

## Customized catering

NEMO provides its own catering services for events and offers you a wide range of options, tailored to suit your guests' preferences.

In addition to our range of high-quality and sustainable products, we like to add a spark of science to the dinner. For example, you can get acquainted with the food of the future, such as snacks prepared using nitrogen.

## Sustainable choice

NEMO can easily be reached by public transport. In addition, we are making our own operations increasingly sustainable using LED lighting, cradle-to-cradle materials and by working with local suppliers. And of course we will be more than happy to provide organic catering and UTZ certified coffee. In addition, the bees on NEMO's natural roof provide home-made honey.

## Technical support

For most of our venues, a projector and screen are included in the venue hire as standard. All our venues are air-conditioned. NEMO has its own technical team to support your event. If necessary, we can hire technical supplies from external suppliers.

### Accessibility:

- On foot: 15 minutes from Amsterdam Central Station
- By bus: take Bus 22 or 48 and get off at Kadijksplein.

### Car parks:

- Parking Centrum Oosterdok, Oosterdoksstraat 150 (1300 parking spaces)
- Markenhoven, Anne Frankstraat 220 (350 parking spaces)
